DELIVERY SERVICE

We need a 24 hour notice to arrange for delivery of your gift basket. We hand deliver to local Tri-County businesses and homes and the charge is based on the city / zip code.

Due to the nature of our products being made to order and guaranteed "fresh," it is critical that the information we receive regarding delivery is accurate. When possible, a "Mapquest" would be greatly appreciated to ensure our direct path to the recipient. Our goal is certainly to have the person receiving the gift be at the home or office when we deliver. If we cannot make contact directly, we will ask a neighbor to accept and deliver later. Regardless of the outcome, we will make every effort to contact you once the basket has been successfully delivered so you have confirmation.

BEREAVEMENTS, CONDOLENCES, SHIVAS, FAMILY GATHERINGS
